

Virtual Meeting Policy

1. Introduction

Iron Acton Parish Council (IAPC) recognises the opportunities offered by meeting virtually in times that a physical meeting is not appropriate and has developed this policy to assist Chairpersons, councillors and members of the public and press to understand how these meetings differ from a physical meeting and to assist people to engage in debate and decision making. The policy is to be delivered within 'The Local Authorities (Coronavirus) (Flexibility of Local Authority Meetings) (England) Regulations 2020' and that are currently enacted for meeting on and up to 7 May 2021. Publishing the agenda and providing documents

2. Publishing the agenda & providing documents

Councillors are to be summonsed as per regulation with the agenda and documents being placed on the Council's website. Wherever possible, one agenda will be displayed on the usual noticeboard. Any person unable to access the IAPC website must contact IAPC via the clerk to the council and request an electronic copy of the agenda and documents to be forwarded as appropriate. In cases that documents originate from a third-party electronic links will be provided where available.

5. Specific Virtual Meeting Arrangements

Discussions

- A. This section applies if members are experiencing good connectivity. In the case of poor connectivity see 7.
- B. During the meeting all persons other than members will be muted. During the public participation period members of the public will be required to 'enable video' in order for them to be visible to the Chairman and will raise their hand to indicate that they wish to speak. Their microphone will then be unmuted and they can address the meeting. Following the conclusion of their address the microphone will be muted.
- C. During the meeting members and officers will raise their hand to indicate to the Chairman that they wish to speak on an agenda item. Those members attending by telephone can use *9 to indicate they wish to speak.
- D. All members attending the meeting will monitor their own background noise and mute their own microphones, except when speaking, if necessary to negate interference with the meeting.

6. Voting

All voting will be undertaken by a show of hands.

7. Poor Connectivity

- A. In the case of poor connectivity, the Chairman will decide whether to continue with the meeting or to reconvene.
- B. In the case of video not being available for some or all of members attending the Chairman can choose to continue but to operate on a roll call for councillor views on individual agenda items.

8. Attendance

If a member is believed to have 'dropped out' this will be minuted. If 'drop- outs' result in the meeting becoming inquorate members will endeavour to rejoin for a period of 15 minutes. After 15 minutes if the meeting is still inquorate the Chairperson will suspend the meeting and reconvene at a later time and date subject to the statutory days of notice. Members will be telephoned to advise of the suspension.

9. Telephone Attendance

- A. Persons wishing to attend by telephone are advised to contact the Clerk **in advance** in order that processes can be put in place to enable appropriate engagement. Telephone attendees can mute/unmute by keying *6 and can "raise their hand" by keying *9.

- B. Please ensure that you are in a quiet location for the meeting and that your attendance is your primary commitment for the duration of the meeting.
